Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The arguments presented in the Appeal Brief filed 4/13/2009 are persuasive. In particular, the argument that the prior art does not show wherein the verifier processor continually processes the application code using a verification function while the processor executes the application code from the memory independently of the verifier processor along with the other limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Devin Almeida whose telephone number is 571-270-1018. The examiner can normally be reached on Monday-Thursday from 7:30 A.M. to 5:00 P.M. The examiner can also be reached on alternate Fridays from 7:30 A.M. to 4:00 P.M.
